

QUESTIONNAIRES ABOUT THE ASTLEY AINSLIE SITE

Questionnaires were distributed at the Grange Association AGM in March 2017 and also at the guided walks round the Astley Ainslie grounds in September and October 2017 and in May and October 2018. Additional questionnaires were handed round at the public meeting on 9th May 2019. These questionnaires asked what types of development respondents wished to see at the Astley Ainslie and what types should be avoided. There were many different answers but certain suggestions came up many times. This table shows the number of questionnaires giving each of these frequent suggestions.

Category	119 Walk Questionnaires	44 AGM Questionnaires	28 Questionnaires from 9 May 2019	Total from 191 Questionnaires
Keep the open green spaces and parkland feel	66	36	7	109
