

Climate Change in The Grange Competition

Climate Change is affecting the world and your local area.

The Grange Association is a charity based in the Grange area of south Edinburgh, supporting and protecting community interests, the environment and local history.

We invite any secondary school age child living in the Grange or attending **James Gillespie's** or **St. Thomas of Aquin's High Schools** to express their thoughts and ideas on how climate change could affect the Grange area.

Entry can be by essay (800 - 1200 words), digital slide deck, story board or any way you can best express your views.

1st prize £100 as well as other prizes.

Closing date 31st May.

Or go to grangeassociation.org/climatechangecompetition/ for more details.
