

# Local Place Plan for Astley Ainslie

**Drop-in Session: 10am - 4pm  
27th September 2025  
Eric Liddell Community  
(15 Morningside Road, EH10 4DP)**

Astley Ainslie Community Trust (AACT) has been working since 2018 to keep the Astley Ainslie as a green space where any development benefits the community.

We're now preparing a "Local Place Plan" for the Astley Ainslie, fleshing out the 2019 vision for the site. It's a new kind of plan, prepared by the local community, that the Council must take into account in reviewing planning policy for the future of the site.

**Come along to the drop-in event to tell us what the future should be for Astley Ainslie: your suggestions will be the basis of the new plan.**
